

Privacy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' is being used online. This is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, credit card information or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, place an order, subscribe to a newsletter or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, surf the website, or use certain other site features in the following ways:

- To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested.

- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.
- To follow up with them after correspondence (live chat, email or phone inquiries)

How do we protect your information?

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user places an order to maintain the safety of your personal information. All transactions are processed through a gateway provider (PayPal or Square and are not stored or processed on our servers.

Do we use ‘cookies’?

Yes. Cookies are small files that a site or its service provider transfers to your computer’s hard drive through your Web browser (if you allow) that enables the site’s or service provider’s systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

- Help remember and process the items in the shopping cart.
- Understand and save user’s preferences for future visits.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser’s Help Menu to learn the correct way to modify your cookies.

If users disable cookies in their browser:

If you turn cookies off it will turn off some of the features of the site.

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.
